Selena and I met when I transferred to Courtice secondary forever ago. Time and distance changed our relationship but she was always a light in my life. This makes saying goodbye to someone who played such a large role in my life, when the story was not complete but is now closed forever, hard. Selena you will be forever missed. To an amazing friend, you will never be forgotten.

To the Hibbert's and Felicien's, I am sorry for your loss. My thouhtand prayers are with you.

Gary, Marlon & Sandra, words may not suffice to express the heartfelt sorrow that we feel for the passing of your sister but please accept our condolences. Losing someone we love is nothing easy, but knowing that we have been able to be a part of her life, we can realize that we are blessed to have been able to share in her life before she went

to be with Mom and our heavenly Father . We promise to watch over Amara and teach her everything her mommy wanted her to learn. We promise to share pictures and tell her stories of how kind and loving her mommy was and how much she loved her dearly. Selena will never be forgotten. She left us Amara so she can fill our hearts with love and laughter the way she did.

We love you all dearly. She's the best sister in-law and Aunt we could ever ask for. Thank you for sharing her with our family.

My brother Sammy, strength of the heart and peace of the mind is what I ask God for you in this untimely loss. Selena was a wonderful life partner, loving mother to Amara and a great sister in-law. Her death is truly painful. Our Life will never be the same without her. She loved you and Amara so much and would do her very best to make sure you both were her top priority . I just want you to know that You and Amara will never be alone. May the love of family and the support from friends help you through the journey ahead. We are all here for you. I love you and Amara from the very bottom of my heart. Selena will never be forgotten.
