Martha Hendriks

My deepest condolences on the loss of your mother and grandmother and great grandmother. Gabriella was my late husband's client for many years(he was her tax accountant) and he loved when she came into the office. She would sit and chat with him and everyone and would have stayed for hours until he'd kick her out! He often said her name was the prettiest he'd ever heard and he would roll her whole name off his tongue. She'd blush and then flirt some more with him and everyone.

Once again, I am so sorry for your loss. Your mom was a special lady.
