So sorry to hear about the loss of your mom Steve. Deepest sympathy is extended to you and your family at this time. It is never easy to say good bye to someone you love so much. You have been a great support to her over the past months when she was diagnosed with her illness. You were there for her in all her appts etc that she needed to get to. Your time away from work is a great testimony of how much she meant to you and you wanted to be there for her. Your efforts are well respected and she would have appreciated very dearly. Cherish all the memories and she will continue to be close to your heart. Thoughts and prayers are extended to you and your family as you move forward to the next chapter of your life.

Dear Steve & Cathy,

My sincerest condolences on the recent loss of your mom. I'm sorry we did not know of her passing sooner in order to pay our respects. I understand the sadness and heartache that you must be feeling right now. But after going through this a few months ago - I can tell you, it does get easier with each passing day. Your dad waited a long time for her to join him so I pray that she's found peace again with him ... and likely a seat at the card game with my parents, Norman, Marj, Meg & Jerry.
