Mon Oncle I remember when I was 21 living in Buckhorn and all the family was getting together for Ma Meres birthday in Toronto. I sat crying not knowing how I could get there and out of the blue you came and got me. That meant so much to me. You always called Mom on Christmas & I loved talking with you. I can't believe it's been 28 years since I last saw you. You will always hold a special spot in my heart. You made us all laugh and feel loved. Thank you for being my Mon Oncle.
